

Pray in the Spirit on all occasions with all sorts of prayers and requests. Communication is vital during war. As you pray, adore your Savior. Be honest about your sin but also repent of it. Call on the Lord to help you and to help others as well. Pray for the lost to be saved and for the saved to be strengthened during this battle. We are more than conquerors!

PUT IT **ALL**
ON!

The sword of the Spirit which is the Bible, is for teaching, reproof, correction and training in righteousness. Faith comes by hearing and hearing by the Word of God. His Word can do spiritual surgery on you as you read it to show areas of sin. God wants you to use His Word to tell others the truth in love. You need to use the sword of the spirit during temptation just as Jesus did. You can also use this sword to break the chains that bind the unsaved as you share truth that sets them free.

How to apply
Ephesians 6:10-20

Put on the belt of truth because the devil wants to wound you with his lies about who God is and who you are. He wants you to digest those lies and multiply more lies within those that you influence.

Put on the gospel shoes. The first shoe represents the fact that Jesus loves you and He died for you. The other shoe represents His power that was demonstrated when He rose from the dead. That same power lives in you if you know Christ as Lord and Savior. When you stand on these truths you can have perfect peace in your heart and mind. You can also use those same feet to deliver this gospel of peace to those who don't know Christ.

Take up the shield of Faith which is a conviction of the mind based on evidence. Faith is the substance of things hoped for and the evidence of things not seen. Remember the evidence of God's faithfulness and you can face any challenge in this life.

Put on the breastplate of righteousness. You have a position of righteousness but you need to practice what is right by demonstrating your love and faith according to I Thessalonians 5:8.

The helmet of salvation shields your mind from distractions. You need to focus on the reality of his return which is a blessed hope and a confident expectation. We will only love The Lord's appearance in the clouds if we are saved from hell and we are taking our responsibilities seriously. Don't be distracted.
